Executive Editor

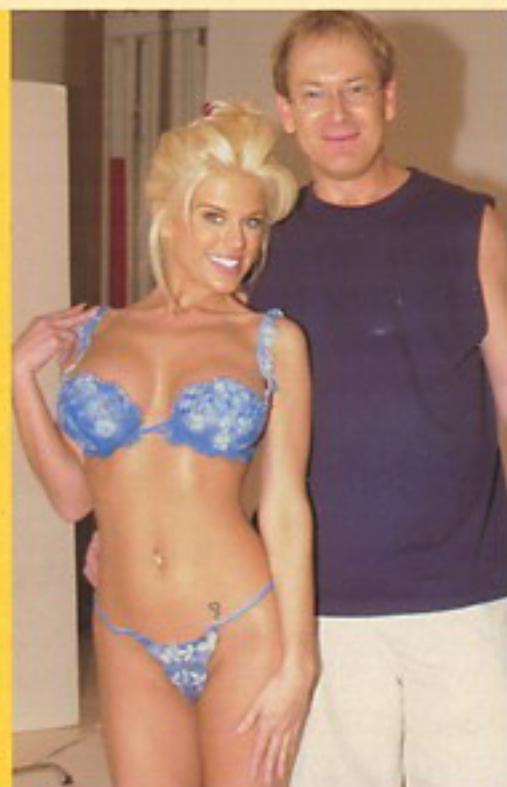

Uncovered

If you were about to head to Victoria's Secret in pursuit of the sexy lingerie from Amy's cover shoot, hit the brakes—you might be better off at Sherwin-Williams. Her getup is actually the creation of magical airbrush artist Mark Frazier, whose startlingly realistic body art has mesmerized guests at recent Mansion parties. Using only latex, body paint and a few pieces of fabric and a scattering of rhinestones, Mark had the enviable task of covering parts of Amy's jaybird-naked body in a breathtaking optical illusion of imaginary lingerie. Our fascination with this art form prompted a quick Q&A with Mark.

How'd you get started? About 15 years ago a photographer asked me if I would paint a target on a model. From there it just took off. **Silly question, but what is it about painting a naked woman that you enjoy?** A woman's body provides a unique canvas with the natural curves and lines of the female form. **Are there any rules or guidelines for the models you paint?** The girls must be completely shaved so I've got a smooth working surface—and I won't paint on guys! **So, how did you land the gig at the Mansion?** I painted a few Playmates for parties at the Mansion before I was officially hired by Playboy. Our first job was for Hef's 75th birthday party, and since then my company has done all of the parties. **What's your favorite painted creation?** Last Halloween at the Mansion, I painted a girl to look like she had on a red rubber corset, panties and stockings. We used several kinds of latex and body airbrush makeup to paint an outfit that not only looked great, but also matched her body type and personality. Basically, the outfit was wild, and so was the model. **Tell us about your sexiest or wildest experience on the job.** Well, you never know what to expect when working at the Mansion—I'll just leave it at that. **Have you ever had anyone get turned on while you were painting her?** Most girls do enjoy the undivided attention they're getting from me, and they tend to like the sensations from the cool latex and body makeup being airbrushed onto their bare skin and the warm air of the blow drier drying them. [For the record, Amy says of her experience: "It was a little strange to be naked with someone I didn't know that well, touching and painting my delicate areas. But, at the same time, it was very sensual and erotic. I even found myself a little turned on!"] **We all know the saying that all good things must end, so how does the painted lingerie come off?** That's easy—all it takes is a little isopropyl alcohol and a lot of patience!

Mark's creative talents go well beyond body painting. To check out his extensive artistic portfolio or to find out more about his body-paint creations, go to www.frazierarts.com. Special thanks to Ken Schlottfeldt of Badger Air-Brush Company for use of his compressor, airbrushes and paints.

Mark Frazier with Amy Miller, who proudly models his complete lingerie masterpiece.

1. After applying latex to camouflage the nipples, Mark begins the process of layering on paint.
- 2-3. Stencils and patterns are used to create the appearance of dimension.
- 4-5. Finishing touches bring the painted lingerie to life.

Amy Miller

Playboy Special Editions presents

Amy Miller

model
of the
year
2002
portfolio

There are two words that easily describe Amy Miller: blonde ambition. Since her debut in the July/August 1999 *Book of Lingerie*, Amy has perfectly posed and seductively smiled her way into 24 Special Editions, with five cover appearances under her garter belt—including this one, her first solo spot. She's shared the cover spotlight twice as a BOL Supermodel, was strategically positioned with gal pal Roxanne Galla for the cover of *Girlfriends* and was the buxom blonde of *Blondes, Brunettes & Redheads*. Amy's soaring popularity as a Playboy model has also earned her Cyber Girl of the Week and Cyber Girl of the Month honors. So, it came as no surprise to us that Amy got the nod from fans as this year's **BOL Readers' Choice Model of the Year**.

This fiery redhead's popularity soared in 2001 with her MOY promotional tour in Chicago, as a cover girl for several Playboy international issues and as a Cyber Girl of the Week. The Bare Facts

AMY MILLER Our new BOL Model of the Year has "felt like Cinderella" since she got the word of her selection. "There was a message on my answering machine—and it's still there. I wanted this so badly—I still can't believe it! Thanks so much, everyone!" *Gen Nishino, 1, 3, 4-5, 6, 8, 9, 10-11.*

DANIELA GIL A pick-up volleyball game will draw her to the beach, but if rain dampens her enthusiasm, she's perfectly happy to stay home and "completely pamper myself." *Mizuno, 12, 13.*

SANDRA WESTGATE Despite her sexy persona and hectic lifestyle, Sandra says she has always been a cautious person. "I don't do things that don't make me feel good about myself. I'm out to have fun, not to embarrass or humiliate myself or others." *Stephen Wayda, 14, 15.*

IRINA VORONINA Miss January '01 insists she was "ugly" growing up. She concedes that time, mother nature and a little makeup have contributed to her dazzling makeover. *David Rams, 16.*

LOGAN MCKENNAH A biology major at the University of Georgia, Logan launched a modeling career so that she "wouldn't have to depend financially on anyone else." *David Rams, 16.*

KITANA BAKER Best recipe? Vegetarian rice bowl. Must-see TV? *Friends*. Favorite flick? *The Princess Bride*. Wheels? Mercedes E320. Dream machine? Mercedes S500. *Mizuno, 17.*

ELLE TAYLOR Nothing surprises her about men, because "they're from another planet. I'm totally prepared when they act like aliens." Vital stats: 5'4", 115 lbs., 32D-24-36. *Byron Newman, 17.*

MERRITT CABAL Personal picks—Film: *Pretty Woman*. TV: *The Sopranos*. Magazine: *Vogue*. Wheels: Porsche Turbo. Color: Blue. Spectator sport: Football. *David Rams, 18, 19, 20-21.*

LATASHA MARZOLLA Although a belted kickboxer, LaTasha admits that her athletic skills are not the gifts for which she's appreciated. "I can barely walk down the street without some guy making a comment about my body." Vital stats: 5'6", 120 lbs., 36DD-25-34. *George Georgiou, 22, 23.*

JEAN SCOTT When in need of a roommate, she placed an ad in the girls-seeking-girls section. "It was scary because I didn't know for sure if she wanted a friend or, you know, a friend." *Gen Nishino, 24, 25.*

KATHERINE HADORN She finds beautiful eyes and good manners irresistible, but "smelly, unfit or overly confident boys" a complete turnoff. *Jarmo Pohjaniemi, 26-27, 28, 29.*

KERRY ROBERTS Although armed with degrees in dental hygiene and chemical technology, Kerry decided real estate offered a faster track to retirement. She's been so successful at it that within three years she expects to put the nine-to-five grind behind her. *Gen Nishino, 30, 31.*

MADISON MARIE Her top five dating tips: "Be on time, have a full tank of gas, be confident, listen well and stop at your ATM before the date." Vital stats: 5'2", 34C-24-33. *Mizuno, 32, 33.*

ROCHELLE LOEWEN She can be "silly in a little girl way," but she's dead serious in karate competition, winning a gold medal in the Canadian national championships. *Mizuno, 34, 35, 36-37.*

RACHEL BAKER Men are "baffling"—not only for their sometimes "peculiar behavior," but also for "the way they swing it in circles like that." Clockwise or counterclockwise? *Byron Newman, 38, 39.*

NATASHA MAJORS Her most embarrassing modeling moment? "Taking off my clothes." But now that she's gotten the hang of it, she wants a shot at becoming a Playmate. *Jarmo Pohjaniemi, 40, 41.*

SUSAN WEISS Until she posed for us, Susan never considered herself a sex symbol. "I was a tomboy. Doing this made me realize I could be glamorous!" *Gen Nishino, 42-43, 44, 45.*

LAUREN MICHELLE HILL This South Carolinian is an equal mix of manners and mayhem: "Girls from the South know when to be a lady—and when it's OK not to be." *Mizuno, 46.*

JENNIFER WALCOTT Lottery losers would kill for Jennifer's gift: "Everything I believe in or think of comes true—sort of like having ESP or some special power." *Mizuno, 46.*

NEFERTERI SHEPHERD Relationship suicide: "Men who don't listen, men who talk incessantly on their cell phones and men who think they can touch me anywhere, anytime." *Mizuno, 47.*

KIMBERLEY STANFIELD It's not the abs or glutes, dazzling smile or sparkling eyes that get Miss July '01's attention—it's a guy's eyebrows. Huh? "Don't ask." *Mizuno, 47.*

HEATHER CHRISTENSEN Our outgoing MOY is the envy of dieters everywhere. "I try to consume high-calorie foods because my metabolism is so fast. Sorry, girls!" *George Georgiou, 48-49, 50-51.*

HOLLY LAAR She's active, fun, outgoing, trusting, goofy—and a little klutzy. "I once met a guy for coffee and spilled an entire cup all over myself and my purse. Strangely enough, he never asked me out again!" Vital stats: 5'2", 107 lbs., 36-25-33. *George Georgiou, 52, 53.*

ANGEL ANDERSON She says she has a tendency to fall in love too quickly. Still, she hopes she'll recognize the real deal when it comes along, then settle down and raise a family. Motto: "Things come to those who wait, but they're the leftovers from those who don't." *Gen Nishino, 54, 55.*

FEATHER FRAZIER Whatever she does, it's in an "eternal quest for personal pleasure." Currently she gains satisfaction from fitness training, painting, acting and sewing. Still on her list of pleasure treasures? "A black Hummer." Vital stats: 5'6", 108 lbs., 34-24-35. *Gen Nishino, 56, 57.*

HARMONY GUFFEY From a mischievous child, Harmony has evolved into a bit of a homebody. "I enjoy gardening and decorating my house." But her ambitions are only temporarily dormant. "I'm determined to run my own company someday." *Mizuno, 58, 59, 60, 61, 62-63.*

CANDICE MICHELLE A man who's fit, outgoing, smart, funny and comfortable with the touchy-feelies is a natural match. "I'm the one with the love genes in my family—I'm a manic hugger and kisser." Vital stats: 5'6", 118 lbs., 34C-24-34. *Mizuno, 58, 59, 60, 61, 62-63.*

NAOMI MARQUARDT What glues this aspiring veterinarian and animal rescue worker to her TV? Animal Planet, natch. Vital stats: 5'2", 100 lbs., 36-25-35. *Ken Juergen, 64-65.*

REBEKAH TEASDALE "Her sex appeal," reports lensman Newman, "comes from great elegance, poise and self-confidence. It really blossoms before the camera." *Byron Newman, 66, 67.*

JILL SCOTT When going to the beach or playing racquetball aren't options, this Armstrong Atlantic University student switches to plan B—"getting wild and crazy!" *David Rams, 68, 69, 70-71.*

SARA ALVARADO She's usually smiling anyway, but what makes this sunny-dispositioned woman laugh out loud? "Babies who look like little old men." *George Georgiou, 72-73.*

ZDENKA MICKA When time allows, Zdenka polishes her Web-designing skills and tweaks her own site—www.zdenkamicka.com. Vital stats: 5'10", 128 lbs., 34C-24-34. *Ivan Otis, 74, 75.*

NANCY ERMINIA Thirteen years of ballet didn't prepare her for the rigors of a weight-training class she took with a bunch of buffed guys. "I took it to impress one of the students—which I did—but I almost killed myself trying!" Vital stats: 5'3", 110 lbs., 34D-24-34. *Gen Nishino, 76-77, 78, 79.*

ARLENE LOPEZ She tools around in a Mazda 626, but she wouldn't mind owning a Spyder Eclipse because, she says, "I'm just a simple girl." *Jarmo Pohjaniemi, 80, 81.*

ELIZABETH VALERIO Qualifications for her ideal man include "unconditional love, lots of affection, respect for nature—and he'd better like my pets!" She'll know she's fallen head over heels when "all I think about is food." Vital stats: 5'4", 114 lbs., 36C-25-34. *Gen Nishino, 82, 83.*

KENA ZAKIA She ditched corporate America to pursue a showbiz career, but tinkering with computers is still a turn-on. So is "anything dealing with nipples." *Andrew Goldman, 84, 85.*

MELISSA ARNOLD Her pageant wins are only eclipsed by her academic achievements. She'll take modeling as far as she can, then put her education into play as a therapist. *Gen Nishino, 86.*

GLEICY SANTOS Always sentimental and romantic, Gleicy expects the same in a man. "I like a guy who looks good in a suit and wears nice shoes, who's charming and affectionate, who regularly brings me flowers and who kisses me on the neck and ears." *Jarmo Pohjaniemi, 86.*

MINDY LACCA Fun-loving and up for anything, Mindy says she once sneaked into a crush's apartment and waited in his bed for him to come home. Did her ploy have the desired effect? "I can't believe you have to ask that!" Vital stats: 5'6", 120 lbs., 36-24-36. *Gen Nishino, 87.*

BROOKE BERRY Growing up, she was anything but the sex goddess she's become. "As a kid, I hated dolls. I usually built forts, played with the boys and loved getting dirty." *Mizuno, 87.*

LANI TODD When she's found the right sincere, sexy, funny deep thinker—a "Johnny Depp kind of guy"—she'll be ready to settle down. The deal is sealed when "I can leave the bathroom door open while doing those, um, special things." *Jarmo Pohjaniemi, 88-89, 90-91.*
